PROFILE:

Shri: M. K. Angajan sacrificed his promising engineering career and has dedicated himself for twenty years, to the study, research and propagation of Vedanta, Hindu scriptures and its practical applications in day-to-day living. He spent 11 years of his prime time of youth in an Ashram in India researching on the Hindu scriptures. Last 12 years Angajan has been traveling internationally to share his experiences, delivering spiritual discourses on Vedanta Philosophy. He is a prolific and accomplished speaker on Hindu scriptures, a management Guru and author.
